

**TANDUS CENTIVA**  
311 Smith Industrial  
Dalton, GA 30721

To Whom it May Concern:

Tandus Centiva is an acknowledged mill partner of the INSTALL program and as such, recommend the use of INSTALL trained professional installers whenever suitable.

INSTALL trained professionals are trained and certified in both hard and soft surface installation of Tandus Centiva products with a focus on specific floor preparation requirements, the use of Tandus Centiva recommended adhesives as well as the proper welding of Powerbond seams. Additionally, Tandus Centiva requires that INSTALL professionals are re-certified every three years in order to keep abreast of the constant changes within our industry and product lines.

If you would like more information regarding certification of Tandus Centiva's INSTALL program, please contact John Eric Bolger or Renee Moneta in the Field Services Department at 800-241-4902, ext. 2625 2623.

Best regards,

Signed:
