Dear INSTALL partners,

This letter is to inform you of an exciting development for all brands associated with our former corporate name: UFLOOR Systems, Inc. (brands: Uzin, Pallmann & Wolff).

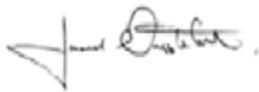

Effective from 12/1/17, UFLOOR Systems new corporate name is **Uzin Utz North America, Inc.** With this new name, our unwavering commitment to provide superior quality products coupled with the best industry professionals remains unchanged. UUNA is extremely proud of our partnership with our Union brothers and sisters, particularly our association with INSTALL and our continued qualification and certification of professionals associated with the flooring industry. INSTALL qualification of skilled crafts men and women in the correct installation of Uzin products enables us to provide extended product warranties, therefore providing peace of mind to our partners and their customers.

Uzin product specifications listing our new UUNA corporate name are now available to download via website (www.uzin.us). These specifications proudly display our commitment to quality assurance in association with INSTALL certified installers.
