

THE INSTALL ADVANTAGE

Get the benefits of the floor covering industry's most trusted name in training and quality labor.

Reliable Training

INSTALL offers the floor covering industry's most advanced and comprehensive training program. Get peace of mind knowing your flooring job will be installed by prepared professionals.

Endorsements

INSTALL's longstanding industry reputation has earned us specifications and endorsements from every major flooring manufacturer— credentials that validate INSTALL as the industry's choice.

Certifications

Take the gamble out of installations with installers who are certified and up to date in industry specified installation certifications in carpet, resilient, substrate prep, wood flooring, ICRA, Covid 19 Jobsite Preparedness, OSHA and more.

Warranty Program

We're so confident in the work of our INSTALL Warranty Contractors that we stand behind them with the INSTALL Warranty, the industry's only extended third-party warranty on installation. That is above and beyond the manufacturer's warranty — and it is absolutely free.
